Westminster Christian Academy
Class of 2017 - Senior Privilege

During the 2016-17 school year, all seniors who meet the criteria stated below will be permitted to go to the 11th and 12th grade Commons, the Café, the Academic Hub, or to leave campus during their study hall period only.

Criteria for participation:

1. Seniors who have any incomplete grades, or who earned a grade below "C" in a course during the second semester or fourth quarter of their junior year are excluded from this privilege for the first quarter of their senior year. Likewise, a senior who receives a grade below "C" in a course during any quarter will lose his/her senior privilege for the following quarter. A senior *may* have their senior privilege reinstated upon review by the administration only after passing all classes with a grade of "C" or higher during the previous quarter.
2. Seniors must have the parent permission form below **signed and on file in the Academic Hub** in order to exercise their senior privilege.
3. The privilege applies to **study hall periods only**. Teachers may not grant approval for use of this privilege for other than study hall periods. **Seniors who are Teacher Assistants may not exercise senior privilege during their study hall.**
4. Abuse of the privilege (tardy to next class, leaving early, skipping class, chapel, Advisory or class meetings, taking underclassmen off campus, etc.) may result in immediate suspension of the privilege and/or a conduct detention.
5. Seniors exercising the senior privilege must be **in the 11th and 12th grade Commons, Café or off campus** during their senior privilege, **or report to study hall in the Academic Hub prior to the beginning of the period. Seniors may not be in the halls or other locations on campus.**
6. **Only seniors with a study hall immediately before or after lunch may be off campus during the lunch period.** Seniors with a 1st period study hall are not required to report to school until chapel or 2nd period. **Seniors may not miss chapel or Advisory/class meetings while exercising their senior privilege**.
7. Seniors must sign in and sign out in the Academic Hub **before and after** leaving campus. Failure to do so will result in a one-week suspension of the privilege. Repeated failures to sign in/out may result in revocation of senior privilege.
8. All normal school rules apply while seniors are exercising their senior privilege.

The administration reserves the right to temporarily suspend or permanently revoke a student's senior privilege for disciplinary or academic reasons.
